Housing Programs

The Adult System of Care of Placer County manages several housing programs designed to assist individuals who have a diagnosed mental illness, are homeless, and are residents of Placer County. In an effort to support individuals with different housing needs, The Adult System of Care manages a Transitional Housing Program, a Permanent Supportive Housing Program, and two HUD

Subsidized Permanent Supportive Housing Programs. This brochure will provide a brief overview of these programs.

TRANSITIONAL HOUSING PROGRAM

Placer County Adult System of Care currently works in collaboration with the Alliance for the Mentally Ill Housing, AMIH, to provide a safe, group living environment with supportive services, to participants who are living with a mental illness and qualify for the transitional program. The Housing Collaborative has homes located in Auburn, Rocklin, and Roseville. Participants reside in a group living situation and participate in both independent and group activities that promote independent living and self-sufficiency. For additional information on this program and program fees please call (530)889-7263

PERMANENT SUPPORTIVE HOUSING

The Adult System of Care has three permanent housing projects.:

- **Timberline**
- **Corinthian**
- **Placer Street**

The Adult System of Care manages two Federally Funded HUD Supportive Housing Programs :

- **The Adult System of Care Permanent Supportive Housing Program, (APSH)**
- **Shelter Plus Care**

Timberline is shared living, in which 5 participants reside in a single family home. Participants have a private bedroom and share the main living areas.

Corinthian is shared living, in which 6 participants reside in a single family home. Residents have roommates and also share the main living areas.

Placer Street is shared living in a complex of 6 condominium style units; 2 master bedrooms/ bath in each unit along with shared living space.

If it wasn't for Welcome Home, I would have been homeless when I was released from the hospital. It not only sheltered me, but afforded me with the life skills I needed to become an independent and productive person in society."
